

RIG MOUNTED GOLD MOUNTS

Gold Mount® brackets for use on Redrock Microsystems Support Rigs

These Gold Mount brackets fit Redrock Micro shoulder rigs which support the Anton/Bauer Gold Mount hole pattern.

The 7/14 Gold Mount is designed to power 7.2 volt professional/handheld cameras from standard Anton/Bauer Logic Series® Batteries. Employing a highly efficient DC-to-DC converter, the 7/14 adapter automatically converts the nominal voltage of batteries such as the DIONIC® 90, DIONIC HC or HyTRON® 50 to 7.2 volts, providing more reliability and longer run-time. Operating a 10 watt AVCCAM using the 7/14 mount, the HyTRON 50 will run for up to 5 hours and the DIONIC 90 and DIONIC HC up to 9 hours. At the same time, the nominal 14.4V from the battery is applied to the PowerTap® connector, allowing for simultaneous powering of an Ultralight® or any nominal 14.4 volt equipment with the camera. Depending on the camera model, the 7/14 adapter will mount either directly to the camera with no modification, can be used with the supplied pouch, or adapted to a shoulder support system.

FGM-C - Gold Mount with DC-DC converter supplying 7.2 volt for camera and 14 volt to the PowerTap connector. Cable and camera connector for Canon cameras included.

FGM-S - Gold Mount with DC-DC converter supplying 7.2 volt for camera and 14 volt to the PowerTap connector. Cable and camera connector for Sony cameras included.

FGM-P - Gold Mount with DC-DC converter supplying 7.2 volt for camera and 14 volt to PowerTap connector Gold Mount. Cable and camera connector for Panasonic cameras included.

FGM-EX1 - Gold Mount with cable and camera adapter for Sony PMW-EX1/EX1R cameras. Supplies native 14 volts to camera and to PowerTap.

QR-VBG - Pouch style 7/14 adapter for Panasonic AG-AF100, AG-HMC150.

QR-DSLR - Compatible with 5D Mk II, 7D, 60D cameras. The Gold Mount provides 7.2V power to the camera via the Canon DR-E6 Coupler, and 14.4V power via the PowerTap for accessories such as the on-camera Ultralight 2, on-board monitors, and external hard drives.
